After our morning drive you will return to camp mid- morning, where our catering team will have a wholesome and tasty English style buffet brunch ready and waiting for you.

Down-time will be spent in camp during the hottest time of the day; you can choose to go for a walk, browse the camp shop, have a swim in the camp pool or even

enjoy an afternoon siesta.

In the late afternoon we gather for high tea made up of refreshing lemonade and ice tea with an assortment of finger sandwiches to fill the gap.

FULL DAY: Itinerary (Afternoon – Evening)

After high tea and relaxation, we head out on our afternoon game drive as always by open safari vehicle, in search of Africa's big 5, and who knows, we might be lucky enough to spot one of the little 5 too.

During your game drive your guide will set up sundowners in the bush where we can enjoy the warm golden glow of the African sun setting over the savannah. We then continue our game drive until the sun sinks beneath the skyline.

Dinner will be expertly prepared once again in the camp. After dinner we will enjoy a glass of wine together around the warm crackling glow of the campfire before turning in for the night.

(The same itinerary is repeated each full day of your package. Meals work on a rotating menu to ensure variety.)
